Mr K Freedman BSc
Headteacher

20th July 2005

Dear Mr Wanchon,

I would like to take this opportunity to thank you very much for your input in our Year 7 Industry Day. It was fantastic to observe the pupils thoroughly engaged and motivated within your activity and this was very much due to the high quality teaching that was taking place.

As a specialist Sports College we are fully committed to offering pupils a quality and extensive physical education experience, with the ultimate aim that they will continue their participation beyond the school. It has been with your help that our pupils have begun to widen their views of what constitutes physical education and sport. In order to maintain the momentum of their experiences yesterday, the department will be happy to distribute any promotional literature you may have regarding clubs they can join.

May I once again thank you for your input and I very much hope we can work with you again in the very near future.

Yours sincerely,

Mr Paul Collins
(*Director of Physical Education & Sport*)
