Mr K Freedman BSc
Headteacher

Reference Simon Wanchon,

I have known Simon Wanchon for six years in a professional capacity. He has been employed at The Castle School to coach/teach Taekwondo at key stage 4 to both mixed ability and gender groups.

He is a very professional coach who quickly establishes an excellent rapport with the students. He sets high standards and is respected for this.

His sport and his own personal expertise appeals to a wide variety of pupils. Last year this resulted in a large number of our students joining him at his club on a Saturday morning.

I would personally endorse (without hesitation) Simon as a coach to any school or club wishing to employ him. If you would like to discuss this further please contact me at school.

Yours Sincerely

D B Jones
(Head of PE)
